Thanks, Sandy. Perhaps Martin, if he's available.

Bob -- you're welcome to join, but I leave that decision to you.

Thanks,  
Howard

Subject: UPDATE RE: request for update re:: Pavillion investigation

Hi, Howard -- The House Energy & Commerce Committee staff would like to have the briefing at 11:00 a.m. (Denver time) on Monday. They said general background and update is fine, and they will send any specific Qs to Carolyn on Monday a.m.

Carolyn asks whether you'd like others to be on the call; i.e., HQ ORD, others in Region 8, etc. She will be sending the call-in info when I let her know who all should be invited on the call.

Thanks!  
Sandy

Sandy,

I'll do the call. I have meetings between 9:00 and 11:00 Monday morning, but am free from 11:00 to 1:00, or we could shoot for 8:00.

Thanks,  
Howard

Importance: High

Howard -- We have our first congressional staff briefing request regarding the news release yesterday. Would you be agreeable to do this call on Monday morning? Would you like to suggest someone else?

Many thanks,  
Sandy

Subject: request for update re:: Pavillion investigation

Hi Sandy,

Per my vm, and below, House Energy and Commerce minority staff are asking for a conference call (we have since agreed to Monday a.m.) Laura Vaught defers to Howard Cantor to either cover the call or to delegate/decide who else should participate. Can you check his availability and preference?

Thanks!

Hi Carolyn,

It looks like Pamela Janifer is out today. Are you available for a call to discuss the investigation?

Best,

Eleanor
